CONFERENCE AGENDA

Indonesia Next:

Leading the Digital Age with Government and Industry Collaboration

06 – 07 August

Jakarta International Convention Center (JICC)
Senayan, Jakarta - Indonesia

SUPPORTING PARTNERS:

										
										
										
										

06 – 07 August 2025 • Jakarta International Convention Center (JICC), Senayan

The **"Indonesia Next: Leading the Digital Age with Government and Industry Collaboration"** conference focuses on Indonesia's rapid digital transformation and the crucial partnership between government and industry in driving this progress. The conference agenda tackles key challenges and opportunities, emphasizing the need for a robust digital infrastructure, inclusive access to technology, and a skilled workforce equipped for the digital economy. Keynote speakers and panel discussions will illuminate strategies for navigating Indonesia's unique digital landscape, addressing issues such as bridging the digital divide, ensuring cybersecurity across critical sectors, and building a resilient and sustainable digital ecosystem.

Specific industry sectors will be examined in detail, including telecommunications, data centers, mining technology, FMCG, manufacturing, healthcare, infrastructure, transportation and logistics, education, tourism and many more. Each sector's digital transformation journey will be explored, highlighting successful strategies, innovative solutions, and best practices. Discussions will center on how tec

Technologies such as AI, machine learning, IoT, and advanced analytics can optimize operations, enhance efficiency, and improve service delivery across these diverse sectors. The role of data centers in supporting national digital initiatives will also be a prominent theme, alongside crucial conversations on cybersecurity, data privacy, and building a robust cybersecurity talent pipeline.

Furthermore, the conference will emphasize the importance of citizen-centric government services, promoting transparency and trust through open data initiatives. Building a future-ready workforce capable of meeting the demands of the digital age will be a recurring focus, highlighting the need for strategic upskilling and reskilling programs. The conference encourages collaboration and knowledge sharing, with ample networking opportunities for attendees to connect with industry peers, government officials, and technology experts. The ultimate goal is to foster a dynamic and collaborative environment that accelerates Indonesia's digital progress and establishes it as a leader in the digital age.

06 – 07 August 2025 • Jakarta International Convention Center (JICC), Senayan

PRELIMINARY AGENDA (CONFERENCE)

DAY 1 – Wednesday, 06 August 2025					
Time	Session	ROOM 1	ROOM 2	ROOM 3	ROOM 4
08.30 – 10.30	OPENING CEREMONY				
		Telecommunication	Data Center	Mining Tech	HR Tech
11.00 – 11.20	Keynote	"Charting Indonesia's Digital Infrastructure Roadmap: Opportunities and Challenges under the New Administration"	CO-HOST WELCOME REMARKS	"Mining in Indonesia: Embracing Innovation and Technological Progress"	"Preparing a Workforce for Tomorrow: Focusing on Skills Development and Digital Literacy"
		"Expanding Digital Inclusion: Connecting Communities with Affordable and Accessible Internet"	"Indonesia's Data Center Strategy: Supporting Digital Economy Growth and National Security"		
			"Indonesia's Data Center Strategy: Supporting Digital Economy Growth and National Security" (Leading Industry Perspective)		
11.20 – 12.00	Panel Discussion	"Indonesia's Telecom Industry in the AI Era: Balancing Innovation and Consumer Protection"	"Creating Energy-Efficient and Sustainable Data Centers for Indonesia"	"Using IoT and Smart Sensors in Mining: Enhancing Efficiency and Cutting Costs"	"Using HR Technology for Hiring, Training, and Retaining Talent: Best Practices for Indonesian Companies"
12.00 – 14.00	ASSOCIATION	"Launch of the 2025 Internet User Penetration, Behavior, and National ISP Market Segmentation Survey Results" by Indonesian Internet Service Provider Association (APJII)	"Omnichannel, AI, and Big Data: How Retail Thrives in Digital Transformation" by Association of Indonesian Retailers (APRINDO)	LUNCH BREAK	
		Government Services	Data Center	Mining Tech	HR Tech
14.00 – 14.10	Keynote	"Tackling Issues in Modernizing Digital Government: Addressing Gaps in Infrastructure, Security, and Skills"	"Policy Challenges in Data Center Development: How Customs, Taxation, and Permits Affect Progress"	"Data Analytics in Mining: Boosting Decision-Making and Resource Management"	"The Impact of AI on HR: Automating Processes and Improving Employee Experiences"
		Tackling Issues in Modernizing Digital Government: Addressing Gaps in Infrastructure, Security, and Skills" (Leading Industry Perspective)			

06 – 07 August 2025 • Jakarta International Convention Center (JICC), Senayan

14.10 – 14.50	Panel Discussion	"Adopting Digital Government Practices: Case Studies and Lessons Learned"			"Digital Transformation in HR: Challenges and Opportunities for Indonesian Institutions"
14.50 – 15.00	COFFEE BREAK				
		Government Services	Data Center	Mining Tech	HR Tech
15.00 – 15.20	Keynote	"Putting Citizens First: Creating Government Services that Truly Meet Their Needs"	"How Regulation Influences Data Center Operations: Lessons from the Personal Data Protection Law (UU PDP)"	"Automation and Robotics in Mining: Practical Applications and Case Studies"	"Simplifying HR Tasks with Digital Tools: Cutting Down on Time and Costs"
		"Powering Citizen-Centric Innovation: How Tech Solutions Are Transforming Public Services"			"Simplifying HR Tasks with Digital Tools: Cutting Down on Time and Costs"
15.20 – 16.00	Panel Discussion	"Building Trust and Transparency in Government: The Role of Open Data and Citizen Engagement"	"Next-Generation Data Security: Cutting-Edge Cybersecurity Strategies for Safeguarding Data Centers"	"The Future of Mining: Exploring AI Applications and Overcoming Challenges"	"HR Analytics and Data-Driven Decision-Making: Enhancing HR Effectiveness"
16.00 – 18.00	TECHNICAL WORKSHOP	Digital Sovereignty "Building Trust and National Resilience in Indonesia's Digital Era" by National ICT Council of the Republic of Indonesia (WANTIKNAS)	"DCTI Technical Workshop: Technical Deep Dive: Overcoming Infrastructure Challenges for Indonesia's Data Center Future"		
18.00	END OF DAY 1				

DAY 2 – Thursday, 07 August 2025

Time	Session	ROOM 1	ROOM 2	ROOM 3	ROOM 4
		Cyber Security	FMCG	Manufacture	BFSI
09.30 – 09.45	Keynote	WELCOME REMARKS: "Building a Cyber-Secure Nation: Harmonizing Policies"	"Personalization and Customer Experience in FMCG: Using Data and Technology"	"Automation and Robotics in Indonesian Manufacturing: Boosting Productivity and Efficiency"	"Safeguarding Indonesia's Cashless Boom 2.0 – Real-Time AI Fraud Defence for"

06 – 07 August 2025 • Jakarta International Convention Center (JICC), Senayan

		and Strengthening Coordination"	"Personalization and Customer Experience in FMCG: Using Data and Technology"	"Automation and Robotics in Indonesian Manufacturing: Boosting Productivity and Efficiency"	E-Wallet & Cross-Border Payments"
09.45 – 10.45	Panel Discussion	"Building a Cybersecurity Talent Pipeline: Developing Talent and Strengthening Capabilities"	"Adopting Advanced Analytics for FMCG Supply Chain: Case Studies and Best Practices"	"Cost Efficiency in Manufacturing: Capturing Value through Digital Change"	"Cross-Border Payments in the Digital Age: Opportunities and Challenges for Indonesia"
		Cyber Security	FMCG	Manufacture	BFSI
10.45 – 11.15	Keynote	"Securing the Future: Crafting a 20-Year Government Cybersecurity Plan to Boost GDP Growth"	"Strengthening FMCG Supply Chains in Indonesia: Strategies to Face Disruptions"	"Building a Competitive Manufacturing Sector in Indonesia: Innovation and Technology at Work"	"Insurance in the Age of AI: Transforming Risk Assessment and Claims Processing"
		"Incident Response and Disaster Recovery Planning: Preparing for Cyber Attacks" (Leading Industry Perspective)			
11.15 – 12.15	Panel Discussion	"Incident Response and Disaster Recovery Planning: Preparing for Cyber Attacks"	"Leveraging AI and Machine Learning in FMCG Supply Chain: Predictive Analytics and Automation"	"Smart Manufacturing in Indonesia: Implementing Industry 4.0 Technologies"	
12.15 – 13.00	LUNCH BREAK				

		Infrastructure	Infrastructure	Transportation & Logistic	Agriculture
13.00 – 13.15	Keynote	"Smart Grid Technologies: Boosting Efficiency, Reliability, and Sustainability of Indonesia's Power System"	"The 4th Global Digital Trade Expo Promotion (GDTE)"	"Digital Tools for Smoother Logistics: Boosting Efficiency and Cutting Costs"	"Modernizing Agriculture in Indonesia: How Technology Raises Productivity"
			"Smart City Technologies: Advancing Public Services, Transportation, and Urban Development"		"Modernizing Agriculture in Indonesia: How Technology Raises Productivity"

06 – 07 August 2025 • Jakarta International Convention Center (JICC), Senayan

13.15 – 14.00	Panel Discussion	"Cybersecurity for the Power Grid: Protecting Critical Infrastructure from Cyber Threats"	"Data Analytics for Smart City Management: Optimizing Resource Allocation and Improving Citizen Services"	"Reimagining Transportation and Logistics: Refining Supply Chains and Boosting Customer Service"	"Precision Agriculture and Digital Technologies: Increasing Crop Yields and Refining Resource Management"
14.00 – 14.15	COFFEE BREAK				
		AI Tech	ASSOCIATION	Transportation & Logistic	Agriculture
14.15 – 14.30	Keynote	"AI and Digital Governance: Ensuring Ethical Innovation for Indonesia's Future"	"The Digital Transformation Ecosystem of Indonesian City Governments: Institutional Framework, Budgeting, Public Services, and the Role of Cities" by Association of Indonesia Municipalities (AIM)	"Modernizing Indonesia's Transportation and Logistics Sector: Raising Connectivity and Efficiency"	"How Robotics is Revolutionizing Agricultural Efficiency"
		"AI and Digital Governance: Building Indonesia's Future through Innovation and Connectivity"		"Driving Efficiency in Transport and Logistics through Technology Adoption"	
14.30 – 15.30	Panel Discussion	"AI-Powered Networks: Shaping Indonesia's Connectivity Landscape"			
15.30	END OF DTI-CX 2025				

MAIN CONFERENCE AGENDA

DAY 1 – Wednesday, 06 August 2025

Conference Room 1

Session 1: Telecommunication

Time	Details
11.00 – 11.10	"Expanding Digital Inclusion: Connecting Communities with Affordable and Accessible Internet" Keynote Speaker Peter Huangyin , Broadband Director, FiberHome
11.10 – 11.20	"Indonesia's Telecom Industry in the AI Era: Balancing Innovation and Consumer Protection" Panel Discussion Speaker: <ul style="list-style-type: none"> Hari Sungkari, Senior Executive, National ICT Council of the Republic of Indonesia (WANTIKNAS) Sarwoto Atmosutarno, Chairman, Indonesian Telematics Society (MASTEL) John Sihar Simanjuntak, President, PANDI Faizal Rochmad Djoemadi, Director of IT and Digital, PT Telkom Indonesia (Persero) Tbk Rick Bleszynski, Founder and Chairman, Zocial Mo Nadder, Director of Network Strategy & Solutions, ANDREW Moderator: Tommy Gustavi Utomo , Executive Director, Association of Telecommunications Infrastructure and Tower Developers (ASPIMTEL)

Co-Host Activity

12.00 – 14.00	"Launch of the 2025 Internet User Penetration, Behavior, and National ISP Market Segmentation Survey Results" by Indonesian Internet Service Provider Association (APJII)
---------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Session 2: Government Services

Time	Details
14.00 – 14.10	"Tackling Issues in Modernizing Digital Government: Addressing Gaps in Infrastructure, Security, and Skills" Keynote Speaker Mira Tayyiba , Director General of Digital Government Technology, Ministry of Communications and Digital Affairs of the Republic of Indonesia
14.10 – 14.20	"Tackling Issues in Modernizing Digital Government: Addressing Gaps in Infrastructure, Security, and Skills" (Leading Industry Perspective) Ronald Limoa , Vice President Technology Strategy and Consumer Product Development, Telkomsel
14.20 – 15.00	"Adopting Digital Government Practices: Case Studies and Lessons Learned" Panel Discussion Speaker: <ul style="list-style-type: none"> Suharmen, Deputy for Information Systems and Digitalization of State Civil Apparatus Management, National Civil Service Agency of the Republic of Indonesia (BKN)

	<ul style="list-style-type: none"> • Setiaji, Senior Advisor to the Minister on Health Technology & Chief of Health Technology Transformation and Digitalization Team (TTDK), Ministry of Health of the Republic of Indonesia • Ali Ghufon Mukti, President Director, BPJS Kesehatan • Eryk Budi Pratama, Vice Chairman of Standing Committee for Artificial Intelligence and Personal Data Protection, The Indonesian Chamber of Commerce and Industry (KADIN) • Feri Risnandar, Director - Enterprise and Government Service, Interbio Technologies <p>Moderator: Hernan Gibran Ramadhan, Deputy Chief of Indonesia Network Information Center (IDNIC), Indonesian Internet Service Provider Association (APJII) – Founder & Chief Executive Officer, Herza Cloud</p>
--	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Session 3: Government Services

Time	Details
15.00 – 15.10	<p>"Putting Citizens First: Creating Government Services that Truly Meet Their Needs"</p> <p>Keynote Speaker</p> <p>Muhammad Nuh Al - Azhar, Director of Population Administration Information Management, Directorate General of Population and Civil Registration, Ministry of Home Affairs of the Republic of Indonesia</p>
15.10 – 15.20	<p>"Powering Citizen-Centric Innovation: How Tech Solutions Are Transforming Public Services"</p> <p>Keynote Speaker</p> <p>Dexter Qiu, Asia Regional Director, Ruhr IoT MSc in Marketing</p>
15.20 – 16.00	<p>"Building Trust and Transparency in Government: The Role of Open Data and Citizen Engagement"</p> <p>Panel Discussion Speaker:</p> <ul style="list-style-type: none"> • Dave A.F. Laksono, Deputy Chairman of Commission I, The House of Representatives of the Republic of Indonesia (DPR RI) • Muhammad Nuh Al - Azhar, Director of Population Administration Information Management, Directorate General of Population and Civil Registration, Ministry of Home Affairs of the Republic of Indonesia • Alwis Rustam, Executive Director, Association of Indonesia Municipalities (AIM) • Teguh Prasetya, Head of Industry and Independence of IoT, AI & Big Data (TRIOTA), Indonesian Telematics Society (MASTEL) – President Director, PT Alita Praya Mitra <p>Moderator: Heru Sutadi, Executive Director, Indonesia ICT Institute</p>

Technical Workshop

16.00 – 18.00	<p>Digital Sovereignty</p> <p>"Building Trust and National Resilience in Indonesia's Digital Era" by National ICT Council of the Republic of Indonesia (WANTIKNAS)</p>
---------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

MAIN CONFERENCE AGENDA
DAY 1 – Wednesday, 06 August 2025
Conference Room 2

Session 1: Data Center

Time	Details
11.00 – 11.05	CO-HOST WELCOME REMARKS Hendra Suryakusuma , Chairman, Indonesia Data Center Provider Organization (IDPRO) – President Commissioner, DATAGARDA (PT. Data Prima Global Servitama)
11.05 – 11.15	"Indonesia's Data Center Strategy: Supporting Digital Economy Growth and National Security" Keynote Speaker Wayan Toni Supriyanto , Director General of Digital Infrastructure, Ministry of Communications and Digital Affairs of the Republic of Indonesia
11.15 – 11.25	"Innovative AIDC: Empowering Indonesia to Lead the Intelligent Era" Keynote Speaker David An , Director, ZTE CTO Group
11.25 – 12.00	"Creating Energy-Efficient and Sustainable Data Centers for Indonesia" Panel Discussion Speaker: <ul style="list-style-type: none">Denny Setiawan, Director of Digital Infrastructure Strategy and Policy, Ministry of Communications and Digital Affairs of the Republic of IndonesiaHerlin Herlianika, President, ASHRAE Indonesia ChapterSuyanta Satria, Secretary General, Indonesia Data Center Provider Organization (IDPRO) – Senior Manager Product Management, ST Telemedia Global Data CenterJason Lim, Regional Director – APAC, ExerthermAnthony Jauw Waludin, Director, PT. Ekagrata Data Gemilang (EDGE DC) Moderator: Rendy Maulana Akbar , Chairman, Indonesian Cloud and Hosting Association (ACHI) – Chief Executive Officer & Founder, PT Qwords Company International

Association

12.00 – 14.00	"Omnichannel, AI, and Big Data: How Retail Thrives in Digital Transformation" by Association of Indonesian Retailers (APRINDO)
---------------	---------------------------------------------------------------------------------------------------------------------------------------

Session 2: Data Center

Time	Details
14.00 – 14.15	"Developing Indonesian Talents for Data Center" Keynote Speaker Jessy Tiara , Senior HR Business Partner, Schneider Electric
14.15 – 15.00	"Policy Challenges in Data Center Development: How Customs, Taxation, and Permits Affect Progress" Panel Discussion Speaker: <ul style="list-style-type: none">Eko Dono Indarto, Deputy for Coordination of Communication, Information, and Apparatus, Coordinating Ministry for Political, Legal, and Security Affairs of the Republic of Indonesia

	<ul style="list-style-type: none"> • Denny Setiawan, Director of Digital Infrastructure Strategy and Policy, Ministry of Communications and Digital Affairs of the Republic of Indonesia • Rachmad Solik, Advisor to The Director General for Customs and Excise Services and Revenue Affairs, Ministry of Finance of The Republic Indonesia • Eri Cahyadi, Chairperson of Board, Association of Indonesia Municipalities (AIM) – Mayor of Surabaya • Hendra Suryakusuma, Chairman, Indonesia Data Center Provider Organization (IDPRO) – President Commissioner, DATAGARDA (PT. Data Prima Global Servitama) <p>Moderator: Syahril Syarif, Head of the Regulation and Advocation Affairs, Indonesian Internet Service Provider Association (APJII) – Chief Operating Officer, PT Corbec Communication</p>
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Session 3: Data Center

Time	Details
15.00 – 15.10	<p>"How Regulation Influences Data Center Operations: Lessons from the Personal Data Protection Law (UU PDP)"</p> <p>Keynote Speaker</p> <p>Mediodecci Lustrini, Secretary of the Directorate General of Digital Space Monitoring, Ministry of Communication and Digital Affairs of the Republic of Indonesia</p>
15.10 – 15.50	<p>"Next-Generation Data Security: Cutting-Edge Cybersecurity Strategies for Safeguarding Data Centers"</p> <p>Panel Discussion Speaker:</p> <ul style="list-style-type: none"> • Rendy Maulana Akbar, Chairman, Indonesian Cloud and Hosting Association (ACHI) – Chief Executive Officer & Founder, PT Qwords Company International • Rio Anugrah, Chairman of the Permanent Committee for Digital Infrastructure Development, The Indonesian Chamber of Commerce and Industry (KADIN) – Chief Technology Officer, MNC Digital Indonesia (RCTI+) • Syarif Lumintarjo, Chief Coordinator of IDNIC and Infrastructure, Indonesian Internet Service Provider Association (APJII) – President Director, PT Palapa Ring Barat • Affan Giffari, External Relations Division, Indonesian Data Protection Practitioners Association (APPDI) – Head of Technology, Media and Telecommunication Practice Group, Trilexica at Law • Teguh Kurniawan Harmanda, Chief Executive Officer, Peruri Digital Security <p>Moderator: Tri Febrianto, Security Expert Member, Indonesia Data Center Provider Organization (IDPRO) – Chief Executive Officer, JagaMaya</p>

Technical Workshop

Time	Details
16.00 – 18.00	<p>"DCTI Technical Workshop: Technical Deep Dive: Overcoming Infrastructure Challenges for Indonesia's Data Center Future"</p>

MAIN CONFERENCE AGENDA

DAY 1 – Wednesday, 06 August 2025

Conference Room 3

Session 1: Mining Tech

Time	Details
11.00 – 11.15	"Mining in Indonesia: Embracing Innovation and Technological Progress" Keynote Speaker Dadan Kusdiana , Secretary General, Ministry of Energy and Mineral Resources of the Republic of Indonesia
11.15 – 12.15	"Using IoT and Smart Sensors in Mining: Enhancing Efficiency and Cutting Costs" Panel Discussion Speaker: <ul style="list-style-type: none"> Teguh Prasetya, Head of Industry and Independence of IoT, AI & Big Data (TRIOTA), Indonesian Telematics Society (MASTEL) – President Director, PT Alita Praya Mitra Melvin Jeffrey Chan, Senior Vice President – Head of IoT (Internet of Things), Indosat Ooredoo Hutchison Risetiyawan Dimas Sutejo, Chief of Digital & Technology Solutions, PT Golden Energy Mines Tbk Moderator: Hendra Sinadia , Executive Director, Indonesian Mining Association (IMA) – Director, PT Indo Minerba Insani
12.15 – 14.00	LUNCH BREAK

Session 2: Mining Tech

Time	Details
14.00 – 14.50	"Data Analytics in Mining: Boosting Decision-Making and Resource Management" Panel Discussion Speaker: <ul style="list-style-type: none"> Andreas Tjendra, Chairman AI and Tech Consultant, National ICT Entrepreneurs Association (APTIKNAS) – AI Advisor Minister, Ministry of Tourism of the Republic of Indonesia Hendra Sinadia, Executive Director, Indonesian Mining Association (IMA) – Director, PT Indo Minerba Insani Bede Evans, President Director, Sumbawa Timur Mining (STM) Akbar Yudha Putera, Vice President Information Technology, Pertamina Hulu Energi Joseph Lembayung, Chief Technology and Information Officer, Pamapersada Nusantara (iCIO Community) Moderator: Rendy Maulana Akbar , Chairman, Indonesian Cloud and Hosting Association (ACHI) – Chief Executive Officer & Founder, PT Qwords Company International
14.50 – 15.00	COFFEE BREAK

Session 3: Mining Tech

Time	Details
15.00 – 15.10	"Automation and Robotics in Mining: Practical Applications and Case Studies" Keynote Speaker Mohamad Rosidi , Director ICT Strategy & Business, Huawei Indonesia
15.10 – 15.20	"Automation and Robotics in Mining: Practical Applications and Case Studies" Keynote Speaker Shen Wenbo , Head of Overseas Business, Deep Robotics
15.20 – 15.50	"The Future of Mining: Exploring AI Applications and Overcoming Challenges" Panel Discussion Speaker: <ul style="list-style-type: none"> Hendra Sinadia, Executive Director, Indonesian Mining Association (IMA) – Director, PT Indo Minerba Insani Tomy Indarto, Vice President Management Information System, PT Freeport Indonesia Chrisma Virginia, Industrial Process Sustainability Lead, PT Hengjaya Mineralindo Moderator: Desri Hanifah , Project Leader, WiME Indonesia – Operations Manager, PT Prasasti Dharma Cendekia Ayu

MAIN CONFERENCE AGENDA

DAY 1 – Wednesday, 06 August 2025

Conference Room 4

Session 1: HR Tech

Time	Details
11.00 – 11.15	"Preparing a Workforce for Tomorrow: Focusing on Skills Development and Digital Literacy" Keynote Speaker Cris Kuntadi , Secretary General, Ministry of Manpower of the Republic of Indonesia
11.15 – 12.00	"Using HR Technology for Hiring, Training, and Retaining Talent: Best Practices for Indonesian Companies" Panel Discussion Speaker: <ul style="list-style-type: none"> Stevien Jimmy, Co-Founder, KitaLulus (Indogen Capital) Maiza Dewi Yanti, Senior Vice President, Organizational Development, Talent Management, Human Capital Digital & Enabler Head, PT Bank Danamon Indonesia, Tbk Reno Rafly, Vice President, People Experience & Organization Strategy, Paxel Indonesia Iman Setiadi, Vice President of People Strategy, tiket.com Moderator: Arry Ekananta , Chairman, OneCHRP – Nomination and Remuneration Committee (NRC), PT Waskita Karya (Persero) Tbk.
12.00 – 14.00	LUNCH BREAK

Session 2: HR Tech

Time	Details
14.00 – 14.10	"The Impact of AI on HR: Automating Processes and Improving Employee Experiences" Keynote Speaker Gemini Aryanto , Group Chief People & Culture Officer, Kopi Kenangan
14.10 – 14.50	"Digital Transformation in HR: Challenges and Opportunities for Indonesian Institutions" Panel Discussion Speaker: <ul style="list-style-type: none"> Abdur Rahman Irsyadi, Director of Human Capital and General Affairs, BPJS Ketenagakerjaan Beni Wido Hendratmo, Chairman, KAGAMA Human Capital (KHC) – Director, PT. Ardaya Cipta Talenta Yasser Muhammad Syaiful, Managing Director, ELSA Speak Made Dharmadetta, Human Resources Director, Danone Indonesia Suryo Sasono, Chief Human Resources Officer, Prudential Syariah Moderator: Yura Syahrul , Editor in Chief, Katadata
14.50 – 15.00	COFFEE BREAK

Session 3: HR Tech

Time	Details
15.00 – 15.10	"Simplifying HR Tasks with Digital Tools: Cutting Down on Time and Costs" Keynote Speaker Didi Haryadi , Operation Vice President Human Capital Intelligence, Analytics, and Performance, PT Telkom Indonesia (Persero) Tbk
15.10 – 15.20	"Simplifying HR Tasks with Digital Tools: Cutting Down on Time and Costs" Keynote Speaker Steven Yudiyanto , Senior Executive Vice President Human Capital, PT Bank Rakyat Indonesia (Persero) Tbk
15.20 – 16.00	"HR Analytics and Data-Driven Decision-Making: Enhancing HR Effectiveness" Panel Discussion Speaker: <ul style="list-style-type: none"> Heriyanto Agung Putra, Chairman, Indonesian Society of HR Management (PMSM Indonesia) – Director & Chief Human Capital Officer, PT Vale Indonesia Tbk Satria Bayu Sejati, Assistant Vice President Human Capital Strategy & Culture, PT. Rajawali Nusantara Indonesia (ID FOOD) Herman Cahyadi, Head of People Gojek, PT GoTo Gojek Tokopedia Tbk. Moderator: Arki Rifazka , Head of Daily Executive, Indonesian Internet Service Provider Association (APJII) – Secretary General, Telkom University Alumni Forum - Telkom University

END OF DAY 1

MAIN CONFERENCE AGENDA

DAY 2 – Thursday, 07 August 2025

Conference Room 1

Session 4: Cyber Security

Time	Details
09.30 – 09.45	WELCOME REMARKS "Building a Cyber-Secure Nation: Harmonizing Policies and Strengthening Coordination" R. Tjahjo Khurniawan , Deputy for Cyber Security and Crypto Strategy and Policy, National Cyber and Crypto Agency (BSSN)
09.45 – 10.45	"Building a Cybersecurity Talent Pipeline: Developing Talent and Strengthening Capabilities" Panel Discussion Speaker: <ul style="list-style-type: none"> Yudhistira Nugraha, Head of the Center for Data and Information Technology, Ministry of Primary and Secondary Education of the Republic of Indonesia Azwir Irvannanda, Chairman, Association of Information Technology & Open Source (ATIOS) – Chief Executive Officer, PT NETKRIDA TUAH CAKRAWALA Yudho Giri Sucahyo, Vice President, PANDI Farina Mutia, Information Security Head, UOB Indonesia Moderator: Priyo Suyono , Chairman of the Supervisory Board, Indonesian Internet Service Provider Association (APJII) – President Director, PT. Internet Mulia Untuk Negeri

Session 5: Cyber Security

Time	Details
10.45 – 11.00	"Securing the Future: Crafting a 20-Year Government Cybersecurity Plan to Boost GDP Growth" Keynote Speaker Bondan Widiawan , Deputy for Cybersecurity and Cryptography Operations, National Cyber and Crypto Agency (BSSN) of the Republic of Indonesia.
11.00 – 11.15	"Incident Response and Disaster Recovery Planning: Preparing for Cyber Attacks" (Leading Industry Perspective) Keynote Speaker Hanief Bastian , Technical Director, ManageEngine
11.15 – 12.15	"Incident Response and Disaster Recovery Planning: Preparing for Cyber Attacks" Panel Discussion Speaker: <ul style="list-style-type: none"> Andi Yusuf, Director for Cybersecurity and Cryptography Operations, National Cyber and Crypto Agency (BSSN) of the Republic of Indonesia Dendi Zuckergates, Founder, Orang Siber Indonesia Hernan Gibran Ramadhan, Deputy Chief of Indonesia Network Information Center (IDNIC), Indonesian Internet Service Provider Association (APJII) – Founder & Chief Executive Officer, Herza Cloud Achmad Tholchah, Chief Executive Officer, PT Sinergi Informatika Semen Indonesia (SISI) Teguh Kurniawan Harmanda, Chief Executive Officer, Peruri Digital Security

	<ul style="list-style-type: none"> Hanief Bastian, Technical Director, ManageEngine <p>Moderator: Charles Lim, Chief of Operation, Academy Computer Security Incident Response Team (ACAD-CSIRT) – Deputy Head of Master of Information Technology, Swiss German University</p>
--	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

12.15 – 13.00	LUNCH BREAK
---------------	--------------------

Session 6: Infrastructure

Time	Details
13.00 – 13.15	<p>"Smart Grid Technologies: Boosting Efficiency, Reliability, and Sustainability of Indonesia's Power System"</p> <p>Keynote Speaker</p> <p>Gama Titis Anuraga, Manager of Distribution and Retail Digitalization, PT PLN (Persero)</p>
13.15 – 14.00	<p>"Cybersecurity for the Power Grid: Protecting Critical Infrastructure from Cyber Threats"</p> <p>Panel Discussion Speaker:</p> <ul style="list-style-type: none"> Sigit Kurniawan, Director of Cybersecurity and Cryptography Strategy, National Cyber and Crypto Agency (BSSN) of the Republic of Indonesia Muhadi, Coordinator for Electricity Transmission Planning, Directorate General of Electricity (DJK), Ministry of Energy and Mineral Resources of the Republic of Indonesia (ESDM) Richardus Eko Indrajit, Chairman, Academy Computer Security Incident Response Team (ACAD-CSIRT) – President Commissioner, PT ITSEC Asia Tbk Zulfadly Syam, Secretary General, Indonesian Internet Service Provider Association (APJII) – Director, PT Green Communication Network Nasrullah, Head of Application Vertiv, DKSH Technology Indonesia <p>Moderator: Fanky Christian, Secretary General, National ICT Entrepreneurs Association (APTIKNAS) – Director, PT Lima Dua Satu Teknologi Indonesia</p>

14.00 – 14.15	COFFEE BREAK
---------------	---------------------

Session 7: AI Tech

Time	Details
14.15 – 14.30	<p>"AI and Digital Governance: Building Indonesia's Future through Innovation and Connectivity"</p> <p>Keynote Speaker</p> <p>Muhammad Awaluddin, Deputy Chief Executive Officer, PT Telkom Indonesia Tbk</p>
14.50 – 15.30	<p>"AI-Powered Networks: Shaping Indonesia's Connectivity Landscape"</p> <p>Panel Discussion Speaker:</p> <ul style="list-style-type: none"> Benny Elian, Deputy Director, Working Group on Digital Infrastructure Roadmap, Ministry of Communications and Digital Affairs of the Republic of Indonesia Eryk Budi Pratama, Vice Chairman of Standing Committee for Artificial Intelligence and Personal Data Protection, The Indonesian Chamber of Commerce and Industry (KADIN) Lukas, Chairman, Indonesia Artificial Intelligence Society (IAIS) – Associate Professor, Atma Jaya Catholic University of Indonesia

	<ul style="list-style-type: none">• Lie Heng, Vice President Industry and Business, Artificial Intelligence Research and Innovation Collaboration (KORIKA)• Markus Liman Rahardja, Secretary General, Indonesia Venture Capital Association for Startups (AMVESINDO)• Indra Gunawan, Secretary General, Association of Telecommunications Infrastructure and Tower Developers (ASPIMTEL) – Director, PT. Sarana Menara Nusantara, Tbk• David An, Director, ZTE CTO Group <p>Moderator: Arki Rifazka, Head of Daily Executive, Indonesian Internet Service Provider Association (APJII) – Secretary General, Telkom University Alumni Forum - Telkom University</p>

MAIN CONFERENCE AGENDA

DAY 2 – Thursday, 07 August 2025

Conference Room 2

Session 4: FMCG

Time	Details
09.30 – 09.40	"Personalization and Customer Experience in FMCG: Using Data and Technology" Keynote Speaker Luthfi Husin , Corporate Affairs Director, PT Lulu Group Retail Indonesia
09.40 – 09.55	"Personalization and Customer Experience in FMCG: Using Data and Technology" Keynote Speaker Lionel A. Fajar , Partner Director, Lark
09.55 – 10.45	"Adopting Advanced Analytics for FMCG Supply Chain: Case Studies and Best Practices" Panel Discussion Speaker: <ul style="list-style-type: none"> Agus Priyanto, Vice Chair of the Department of Technology and Digitalization, Indonesian Retail Merchants Association (APRINDO) – IT Director, Aksesmu (PT. Sumber Trijaya Lestari) Risman Adnan, Chief Technology Officer, PT Mostrans Global Digilog (A Kalbe Company) – Director of Digital Technology, Kalbe Digital Lab, PT Kalbe Farma Tbk Indra Iliana, Director of Commercial and Operations, PT Bhandha Ghara Reksha Moderator: Ribut Purwanti , Deputy Chair for Sustainability and Social Impact, The Indonesian Food and Beverage Industry Association (GAPMMI)

Session 5: FMCG

Time	Details
10.45 – 11.00	"Strengthening FMCG Supply Chains in Indonesia: Strategies to Face Disruptions" Keynote Speaker Bingar Egidius Situmorang , President Director, PT Mustika Ratu, Tbk.
11.00 – 12.00	"Leveraging AI and Machine Learning in FMCG Supply Chain: Predictive Analytics and Automation" Panel Discussion Speaker: <ul style="list-style-type: none"> Yohanes Kurnia Widjaja, Director of Technology, Infrastructure and Data, Indonesia Artificial Intelligence Society (IAIS) – Chief Executive Officer, PT SARI Teknologi Arifin Muchlis, Director, PT Pos Logistik Indonesia Delijal Mansyurdin, Supply Chain Director, Kimberly-Clark Nelson Lianto, General Manager Supply Chain, PT Enseval Putra Megatrading Moderator: Yudie Haryanto , Member of Supervisory Board, Indonesian Internet Service Provider Association (APJII) – Director, Indonet
12.00 – 13.00	LUNCH BREAK

Session 6: Infrastructure

Time	Details
13.00 – 13.15	"The 4th Global Digital Trade Expo Promotion" Keynote Speaker Tina Yin , Director of International Buyers Team, Global Digital Trade Expo (GDTE)
13.15 – 13.30	"Smart City Technologies: Advancing Public Services, Transportation, and Urban Development" Keynote Speaker Lee Yun Sheng , Senior Industry Solution Expert in APAC Government Affairs Industry, Huawei
13.30 – 14.15	"Data Analytics for Smart City Management: Optimizing Resource Allocation and Improving Citizen Services" Panel Discussion Speaker: <ul style="list-style-type: none"> Agus Irawan, Director of Regional Population Data Integration (IDKD), Directorate General of Population and Civil Registration, Ministry of Home Affairs of the Republic of Indonesia Rahan Yama Gusta, Head of Product and Service Development, Jakarta Smart City Alwis Rustam, Executive Director, Association of Indonesia Municipalities (AIM) Bhredipta Socarana, Research and Publication Division, Indonesian Data Protection Practitioners Association (APPDI) Muhammad Dzaki Dwi Putranto, Research Assistant, AI for Smart-X Collaborative Research Center at the Smart City and Community Innovation Center (SCCIC) ITB Wasudewan, Chief Executive Officer, Rumah123 Mulyawan Gani, Chief Transformation Officer & Chief Data Officer, Sinar Mas Land Moderator: Michael Abimanyu , Executive Director, Indonesia Data Center Provider Organization (IDPRO)

Association

Time	Details
14.15 – 16.30	"The Digital Transformation Ecosystem of Indonesian City Governments: Institutional Framework, Budgeting, Public Services, and the Role of Cities" by Association of Indonesia Municipalities (AIM)

MAIN CONFERENCE AGENDA

DAY 2 – Thursday, 07 August 2025

Conference Room 3

Session 4: Manufacture

Time	Details
09.30 – 09.45	"Automation and Robotics in Indonesian Manufacturing: Boosting Productivity and Efficiency" Keynote Speaker Harry Wibowo , Logistic Group Director, PT Panasonic Manufacturing Indonesia
09.45 – 10.00	"Automation and Robotics in Indonesian Manufacturing: Boosting Productivity and Efficiency" Andy Chendra , President Director, PT Kalbe Morinaga Indonesia
10.00 – 10.45	"Cost Efficiency in Manufacturing: Capturing Value through Digital Change" Panel Discussion Speaker: <ul style="list-style-type: none"> Ronggolawe Sahuri, Director of Electronics and Telematics Industry, Ministry of Industry of the Republic of Indonesia Hendrik Gunawan, Chief Executive Officer, PT Lautan Natural Krimerindo Wheny Utoyo, General Manager Factory Sukabumi, PT Amerta Indah Otsuka Moderator: Fanky Christian , Secretary General, National ICT Entrepreneurs Association (APTIKNAS) – Director, PT Lima Dua Satu Teknologi Indonesia

Session 5: Manufacture

Time	Details
10.45 – 11.00	"Building a Competitive Manufacturing Sector in Indonesia: Innovation and Technology at Work" Keynote Speaker Ronggolawe Sahuri , Director of Electronics and Telematics Industry, Ministry of Industry of the Republic of Indonesia
11.00 – 12.00	"Smart Manufacturing in Indonesia: Implementing Industry 4.0 Technologies" Panel Discussion Speaker: <ul style="list-style-type: none"> Ronggolawe Sahuri, Director of Electronics and Telematics Industry, Ministry of Industry of the Republic of Indonesia Erijanto Djajasudarma, Advisory Board, The Indonesian Food and Beverage Industry Association (GAPMMI) – Director, PT Niramas Utama (INACO) Ari Novan Setiono, Senior Vice President of Information Technology, PT Pupuk Indonesia (Persero) Haider Alattas, Founder & Chief Executive Officer, Uncal Digital Technology Erick Alviyendra, Vice President of Technology – Head of IT, PT Global Loyalty Indonesia (Alfagift) Moderator: Djarot Subianto , Head of National ICT Application Division, Indonesian Telematics Society (MASTEL) – President, Indonesian Software Association

12.00 – 13.00	LUNCH BREAK
---------------	--------------------

Session 6: Transportation & Logistic

Time	Details
13.00 – 13.15	"Digital Tools for Smoother Logistics: Boosting Efficiency and Cutting Costs" Keynote Speaker Jimmi Krismiardhi , Vice Chairman, Indonesian Express Delivery Companies Association (ASPERINDO) – Senior Vice President of Operation, PT Tri Adi Bersama (ANTERAJA)
13.15 – 14.00	"Reimagining Transportation and Logistics: Refining Supply Chains and Boosting Customer Service" Panel Discussion Speaker: <ul style="list-style-type: none"> Rudy Rahmaddi, Director of Customs and Excise Information, Directorate General of Customs and Excise (DJBC), Ministry of Finance of the Republic of Indonesia – Chief Executive, National Logistics Ecosystem (NLE) Jimmi Krismiardhi, Vice Chairman, Indonesian Express Delivery Companies Association (ASPERINDO) – Senior Vice President of Operation, PT Tri Adi Bersama (ANTERAJA) Teuku Muhammad Iqbal, Vice President of Non-Commercial Cargo & Sea Toll, PT. Pelayaran Nasional Indonesia (PELNI) Natal Iman Ginting, President Director, PT Integrasi Logistik Cipta Solusi Ahmad Fariz Viali, Vice President, PT Aerojasa Cargo Moderator: Ashwin Sasongko Sastrosubroto , Head of Digital Development and Human Resources, Indonesian Telematics Society (MASTEL) – Executive Team, National ICT Council of the Republic of Indonesia (WANTIKNAS)

14.00 – 14.15	COFFEE BREAK
---------------	---------------------

Session 7: Transportation & Logistic

Time	Details
14.15 – 14.30	"Modernizing Indonesia's Transportation and Logistics Sector: Raising Connectivity and Efficiency" Keynote Speaker Raymond Ivan Sianturi , Head of the Center for Data and Information Technology, Ministry of Transportation of the Republic of Indonesia
14.30 – 14.45	"Driving Efficiency in Transport and Logistics through Technology Adoption" Keynote Speaker Steven Halim , Head of Transport Gojek, PT GoTo Gojek Tokopedia Tbk.
14.45 – 15.30	"Sustainable Transportation Solutions in Indonesia: Reducing Emissions and Promoting Environmental Responsibility" Panel Discussion Speaker: <ul style="list-style-type: none"> Susilo Dewanto, Head of the Center for Transportation Data and Information, DKI Jakarta Provincial Transportation Agency

	<ul style="list-style-type: none">• Mahendra Rianto, Chairman, Indonesia Logistics Association (ALI) – Commercial Deputy Director, PT. Citrabati Logistik Internasional (CLI)• Resdiansyah, Vice President Standardization, Intelligent Transport System (ITS Indonesia) – Senior Advisor for Infrastructure and Transportation, Executive Office of the President of the of Republic Indonesia• Albertus Indarko Wiyogo, Executive Vice President Information Technology, PT Kereta Api Indonesia (Persero)• Hariadi, Director of Operations and Digital Services, PT Pos Indonesia (Persero) <p>Moderator: Teguh Prasetya, Head of Industry and Independence of IoT, AI & Big Data (TRIOTA), Indonesian Telematics Society (MASTEL) – President Director, PT Alita Praya Mitra</p>

TECHNICAL WORKSHOP AGENDA

DAY 1 – Wednesday, 06 August 2025

CONFERENCE ROOM 1			
Time	Session	Details	
		Agenda Item	Speakers
16.00 – 16.05	Digital Sovereignty “Building Trust and National Resilience in Indonesia’s Digital Era” by National ICT Council of the Republic of Indonesia (WANTIKNAS) As Indonesia’s digital economy grows, protecting national data becomes more important than ever. This session will bring together government, industry, and civil society to talk about what data sovereignty means for Indonesia, how new laws like the Personal Data Protection Law affect data management, and how the country can stay secure and competitive in the digital world. Participants will explore real solutions and	Welcome & Opening Remarks	WANTIKNAS Senior Official
16.05 – 16.15		Keynote Address: Securing Indonesia’s Digital Future Through Data Sovereignty	High-level government representative (e.g. Ministry of Communications and Digital Affairs of the Republic of Indonesia)
16.15 – 16.45		Panel Discussion: Data Sovereignty in Action – Policy, Technology, and Industry Readiness	<ul style="list-style-type: none"> Slamet Aji Pamungkas, Deputy for Cyber Security and Crypto Strategy and Policy, National Cyber and Crypto Agency (BSSN) of the Republic of Indonesia Eko Kuswardono Budiardjo, Professor, University of Indonesia Hari Sungkari, Senior Executive, National ICT Council of The Republic of Indonesia (WANTIKNAS) <p>Moderator: Muhammad Andy Zaky, Executive Secretary, National ICT Council of The Republic of Indonesia (WANTIKNAS)</p>
16.45 – 16.50		Q&A with Audience	WANTIKNAS Representative
16.50 – 17.00		Interactive Roundtable: Collaboration Strategies for National Resilience	All attendees

17.00 – 17.25	collaboration strategies to support a safe and trusted digital future.	Closing Remarks & Key Takeaways	WANTIKNAS Senior Official
CONFERENCE ROOM 2			
Time	Session	Details	
		Agenda Item	Speakers
16.00 – 16.05	“DCTI Technical Workshop: Technical Deep Dive: Overcoming Infrastructure Challenges for Indonesia’s Data Center Future” Session Description: As Indonesia’s digital growth accelerates, data centers must evolve to handle greater power demands, more heat, and stricter sustainability goals. This technical session brings together engineers, consultants, and technology providers to explore practical solutions for key infrastructure challenges—like grid limitations, high-density cooling, and ESG compliance. Through real case studies and expert discussions, participants will gain insights into designing efficient, reliable, and future-ready data centers for Indonesia’s digital future.	Welcome & Opening Remarks – DCTI Representative	Hendra Suryakusuma , Chairman, Indonesia Data Center Provider Organization (IDPRO)
16.05– 16:35		Technical Panel Discussion: Tackling Electrical and Cooling System Challenges in Modern Data Centers	Speakers: Hendra Suryakusuma , Chairman, Indonesia Data Center Provider Organization (IDPRO) Wysnu Eka Lesmana , Vice President of Data Center Development & Customer Acquisition, Sinar Mas Land Moderator: Tengku Reza Syahrezal , Chief of Innovation Officer, DATAGARDA
16.35 – 17.05		Technical Showcase: Vendor Presentations on Cutting-Edge Data Center Technologies	Rianti Fitri Aziz , Offer Operational Manager Power System, Schneider Electric Raden Dadang Kadarsyah , System & Architecture Engineer, Schneider Electric
17.05 – 17.20		Interactive Q&A Session	All attendees
17.20 – 17.25		Closing Remarks & Key Takeaways	DCTI Representative

TECHNICAL WORKSHOP AGENDA

DAY 2 – Thursday, 07 August 2025

BOARD ROOM 2			
Time	Session	Details	
		Agenda Item	Speakers
14:00 – 14:10	"Building the Next Wave of CSIRTs: Community Participation and Collaboration Through DTI-CX 2025" by ACAD-CSRIT	Welcome & Opening Remarks	ACAD CSRIT Representative
14:10 – 14:45		Keynote Speaker 1: Overview of CSIRT Ecosystem & Importance of Community CSIRTs	Keynote Speaker 1 ACAD CSRIT Representative
14:45 – 15:20		Keynote Speaker 2: Frameworks and Best Practices for Community CSIRT Formation	Keynote Speaker 2 ACAD CSRIT Representative
15:20 – 17:00	<p>This session, hosted by ACAD CSRIT, will introduce how local groups—such as universities, local governments, and tech communities—can form their own CSIRTs (Computer Security Incident Response Teams).</p> <p>The session will provide clear guidance on how to set up and run a community-based CSIRT, including frameworks, best practices, and real-life examples. Experts from ACAD CSRIT will also discuss how communities can collaborate with government and industry to share knowledge, improve readiness, and build</p>	Interactive Discussion & Q&A: Collaboration Models, Readiness, and Resource Planning for CSIRT Development	All participants and speakers

	<p>strong response teams.</p> <p>Designed for community leaders, IT professionals, and anyone interested in cybersecurity, this session aims to encourage broader participation and create new partnerships to support a safer digital future for Indonesia.</p>

TECHNICAL DEMO AGENDA

DAY 1 – Wednesday, 06 August 2025

TIME	TOPIC	COMPANY NAME	SPEAKERS DETAILS		DESCRIPTION
			NAME	JOB TITLE	
08.00 – 11.00	OPENING CEREMONY				
11.00 - 11.30	Smarter Infrastructure for the Data Driven World	PT Global Milenia Teknologi, Indorack, Gigabyte, Seagate	Thomas Kurniawan	Product Manager	An integrated solution that brings together intelligent rack systems, high performance compute, and ultra dense storage. Built to meet the growing demands of AI, cloud, and data driven workloads, with efficiency, scalability, and performance at its core.
11.40 - 12.10	SM+ Data Centers Jakarta – SMX01	SM+	Agung Setiabudi	Head of Sales	SM+ Data Centers Jakarta – SMX01 is a flagship Metro Data Centers strategically located in Jakarta’s CBD, in the vicinity of Indonesia’s largest IX. Jakarta – SMX01 is designed for high-density AI computing workloads with racks up to 130kW with advanced liquid cooling systems. Compliant with Tier-4 data center standards, Jakarta – SMX01 offers 8-layer physical and digital security, flexible configurations, and a low PUE design. In collaboration with our JV Partner, LG Sinar Mas, SM+ also delivers comprehensive technology solutions—from Cloud, Cybersecurity, Managed Services, System Integrations (SI), Smart City, and AI solutions—tailored to support businesses of all sizes. Visit our booth to discover how SM+ Data Centers and SM+ Technology Solutions can accelerate your digital journey and future-proof your operations.
12.20 - 12.50	LUNCH BREAK				
13.00 - 13.30	Beyond Simple Automation: AI Agents & Vision AI for Limitless Productivity	AsiaQuest Indonesia	Edy Susanto	President Director	Discover how AI Agent systems, empowered by Vision AI, can move beyond basic automation to enable autonomous decision-making and unlock substantial productivity gains in time-consuming daily tasks.

*Agenda as per 13 August 2025

13.40 - 14.10	Solving HRIS Disconnection: Build a Unified HR System with SunFish HR	DataOn SunFish HR-PT Indodev Niaga Internet	Kevin Ronaldo	Presales	Discover how SunFish helps HR leaders simplify operations, ensure compliance, and secure data through a unified platform. This session highlights new features like document management, e-signatures, AI helpdesk, and mobile access — all designed to support a connected, efficient workforce across regions.
14.20 - 14.50	Building Tomorrow's Workplace: AI capabilities across Mekari Ecosystem	Mid Solusi Nusantara (Mekari)	Aviandri Hidayat	CPO	How Mekari, an Indonesian SaaS provider, is integrating Artificial Intelligence (AI) into its suite of business solutions to help companies modernize and optimize their operations. This includes leveraging AI to automate tasks, enhance data analysis, improve decision-making, and streamline various functions across HR, finance, sales, and more, ultimately aiming to create more efficient, productive, and future-ready workplaces.
15.00 - 15.30	Embracing AI Technology with Tencent Cloud	Tencent Cloud International	Max Dasuki	Solution Architect of Tencent Cloud Indonesia	Discover how Tencent Cloud's AI technology is transforming industries. This event showcases innovative AI solutions, real-world applications, and future trends to help businesses and developers unlock new opportunities and drive growth with cutting-edge cloud technology.
15.40 - 16.10	Pro-Trac: From Blindspot to Brightspot, Embracing The New Era of Field Productivity	TMS Consulting	Nizar Rekza	Head of Innovation Center	Pro-Trac is a Digital Timesheet Solution that removes operational blindspots by providing full visibility into workforce and equipment management. With real-time tracking and seamless ERP integration, it optimizes resources, boosts productivity, and ensures accurate cost allocation, turning blindspots into brightspots for better decision-making.

TECHNICAL DEMO AGENDA

DAY 2 – Thursday, 07 August 2025

TIME	TOPIC	COMPANY NAME	SPEAKERS DETAILS		DESCRIPTION
			NAME	JOB TITLE	
10.30 - 11.00	How Do You Prepare an Entire Workforce for the Future? Not With More Apps, But with One Scalable AI Coach	Elsa Speak	Dhany Honata	Business Development Director	As businesses navigate the fast-evolving digital landscape, the question isn't about adopting more apps but about providing scalable, personalized solutions that truly transform your workforce. In this session, we'll explore how AI-driven coaching—like ELSA Speak—is revolutionizing employee development. Discover how AI can deliver tailored learning experiences that adapt to each individual's needs, ensuring that the entire workforce is ready for the future. This approach allows companies to scale their training efforts effectively while guaranteeing lasting impact on communication skills across the organization.
11.30 - 12.00	Revolutionizing Data Centre Design - Imperatives in HPC/AI Critical Infrastructure	PT Vertiv Technology Indonesia	Donnie Soni	Solution Consultant, Thermal, PT. Vertiv Technology Indonesia	
12.00 - 13.00	LUNCH BREAK				
14.00 - 14.30	Securing Your Infrastructure with Log360: Integrated SIEM and Log Management	ManageEngine	M Ichsan Hasibuan	Senior Technical Consultant	In an era of increasingly complex cyber threats, having comprehensive visibility into your IT infrastructure is essential to ensure security and compliance. ManageEngine Log360 is a Security Information and Event Management (SIEM) solution that helps you proactively detect, analyze, and respond to security incidents through integrated log management.

					<p>In this session, you will learn how Log360:</p> <ul style="list-style-type: none"> - Collects and monitors logs from various sources in real-time - Detects potential threats using correlation-based analytics and automated alerts - Supports compliance requirements such as ISO 27001, PCI DSS, and more - This session will also include a live demo showcasing how you can leverage Log360 to secure your IT infrastructure.
14.40 - 15.10	Efficiency Made Easy with GoCorp by Gojek	PT GoTo Gojek Tokopedia Tbk.	Marla Purwhita	Senior Product Manager	<p>Get to know GoCorp by Gojek, digital solution for your business operation expense needs. Integrated with Gojek App, GoCorp dashboard offers real-time transaction record, downloadable reports, features for you to create expense rules for your business employees.</p>
15.20 - 15.50	AI and the Future of Connectivity: Transforming the Telecom Landscape	ZTE Indonesia	Iman Hirawadi	Principal Telecom Architect and Business Consultant	<p>The rapid advancement of artificial intelligence in recent years is reshaping industries at an unprecedented pace, and the telecommunications sector stands at the forefront of this transformation. This presentation explores how AI, combined with continuous innovation in fixed and wireless technologies, is revolutionizing the way telecom networks are built, operated, and experienced. From enabling smarter infrastructure with higher levels of automation and energy efficiency to enhancing consumer experiences through intelligent devices, AI is becoming a core enabler of next-generation connectivity. We will also highlight how ZTE, as the leading provider of ICT solutions, is leveraging AI to boost network productivity, simplify operations and</p>

					<p>maintenance, and deliver personalized, high-quality services. As AI begins to redefine human-machine interaction and automate previously manual tasks, it opens up massive opportunities—but not without challenges. Issues such as demonstrating long-term value, ensuring robust data governance, and preparing organizations for AI adoption will be crucial to address as we embrace the AI-driven future of connectivity.</p>
